- Glenys Farries, West Waikato Network Outcomes Contract, Fulton Hogan: SH 21 Airport Road night Works with road closure and detours.
- John Brown, Advisory Team Leader – Communications, WDC: Media release regarding the raised levels of arsenic in the water supply from the Waikato River. Several communications have been received from John updating the arsenic levels from the various water treatment plants as well as HCC results (affects trickle feed into Tamahere).
- Ashleigh Fairhead, WDC: Invitation to a discussion over the naming of Tamahere Reserve – Monday 2 December 3.30pm – 5.00pm, Tamahere Community Centre.
- Geoff King, WDC: TCC Works & Issues Report for December meeting.
- Sarah Loynes, HCC: Morrinsville Road fit for purpose upgrades. Focus this week is options for walking and biking improvements along Morrinsville Road between Cambridge Rd/Morrinsville Rd roundabout and Jansen Park. Check out further updates and outcomes on <https://hamilton.govt.nz/strategies-plans-and-projects/projects/city-wide-transport/morrinsvilleroad/>
- Mariette Poortman, Tamahere resident: Observation regarding driver behaviour coming off the expressway and onto Bollard Road – vehicles are failing to give way. Grasses are obscuring site line down Bollard Road which is making the off ramp more dangerous.
- Geoff Pooch, Tamahere resident: Positive feedback regarding the new historical signboards erected. He is interested in knowing what all the information boards say.
- Mike Li, Tamahere resident: Complaint regarding driving behaviour on Newell Road between Birchwood Lane & Hart Road. He would like to see speed humps installed down this part of the road.
- Tony Whittaker, WDC: confirmation that Tamahere Piazza is now pinned on Google maps. Tony has also confirmed that Stephanie is open to a discussion on signage for Tamahere Recreation Park.
