

Submitter: Waikato-Tainui Te Kauhanganui Incorporated

Submission number: 2151

Submission number	Further submitter name	Further submitter oppose/support	Summary of decision requested	Decision	Decision report where this subject matter is addressed
2151.1			Align Stage 2 with submitters positioned as contained in submissions on Stage 1	Accept in part	Decision Report 29B: Natural Hazards and Climate Change – Flood Hazards, and Defended Areas
2151.2			Retain Variation 2 Amendments, Chapter 1.4.2.3(x) and (xi) Introduction, Economic Growth, Challenges,	Accept in part	Decision Report 29A: Natural Hazards and Climate Change – Objectives, Policies, and General Submissions
<i>FS3032.21</i>	<i>Timberline Contracting</i>	<i>Oppose</i>		<i>Reject</i>	<i>Decision Report 29A: Natural Hazards and Climate Change – Objectives, Policies, and General Submissions</i>
2151.3			Amend Variation 2 Amendments, Chapter 1.4.4(c) Introduction, The Urban Environment to include a reference to river communities in the last sentence. “.. particularly coastal hazards and flooding, will require management through appropriate mitigation and adaptation over time, taking	Accept in part	Decision Report 29A: Natural Hazards and Climate Change – Objectives, Policies, and General Submissions

Submission number	Further submitter name	Further submitter oppose/support	Summary of decision requested	Decision	Decision report where this subject matter is addressed
			into consideration projected sea level rise and other climate change factors; and river communities.		
2151.4			Amend Variation 2 amendments, Chapter 1.5.2(b) Planning for urban growth and development last sentence to read “However, when preparing structure plans or spatial plans for developing urban land, <u>consideration of carrying out growth planning, structure planning and master planning,</u> the risk posed by natural hazards such as flooding, land instability, coastal hazards and liquefaction will be important <u>addressed</u> to ensure that the land is suitable for the type of development proposed and avoids increased risk from natural hazards.”	Accept in part	Decision Report 29A: Natural Hazards and Climate Change – Objectives, Policies, and General Submissions
2151.5			Retain Variation 2 amendment to Chapter 1.12.8(d) Introduction, Strategic objectives.	Accept in part	Decision Report 29A: Natural Hazards and Climate Change – Objectives, Policies, and General Submissions
2151.6			Amend Chapter 15.1 Introduction to include an overview commentary of where each hazard area is located in regard to affected communities (towns and villages) and Māori Freehold Land and Marae, AND	Reject	Decision Report 29A: Natural Hazards and Climate Change – Objectives, Policies, and General Submissions

Submission number	Further submitter name	Further submitter oppose/support	Summary of decision requested	Decision	Decision report where this subject matter is addressed
			Add in section 32 report a breakdown of affected Māori Freehold Land and how this land is affected.		
2151.7			Retain Objective 15.2.1 – Resilience to natural hazard risk.	Accept in part	Decision Report 29A: Natural Hazards and Climate Change – Objectives, Policies, and General Submissions
2151.8			Retain Policy 15.2.1.1 - New development in areas at significant risk from natural hazards.	Accept in part	Decision Report 29A: Natural Hazards and Climate Change – Objectives, Policies, and General Submissions
2151.9			Retain Policy 15.2.1.2 - Changes to existing land use activities and development in areas at significant risk from natural hazards.	Accept in part	Decision Report 29B: Natural Hazards and Climate Change – Flood Hazards, and Defended Areas
2151.10			Retain Policy 15.2.1.3 - New emergency services and hospitals in areas at significant risk from natural hazards.	Accept in part	Decision Report 29B: Natural Hazards and Climate Change – Flood Hazards, and Defended Areas

Submission number	Further submitter name	Further submitter oppose/support	Summary of decision requested	Decision	Decision report where this subject matter is addressed
FS3025.10	Fire and Emergency New Zealand	Support		Accept	Decision Report 29B: Natural Hazards and Climate Change – Flood Hazards, and Defended Areas
2151.11			Amend Policy 15.2.1.4(a) - to reference avoidance rather than enablement.	Reject	Decision Report 29B: Natural Hazards and Climate Change – Flood Hazards, and Defended Areas
FS3034.76	Mercury NZ Limited	Oppose		Accept	Decision Report 29A: Natural Hazards and Climate Change – Objectives, Policies, and General Submissions
2151.12			Retain Policy 15.2.1.7 - Protection from risks of coastal hazards.	Accept	Decision Report 29C: Natural Hazards and Climate Change – Coastal Hazards
2151.13			Amend Policy 15.2.1.8 - Limitations on hard protection works for coastal hazard	Accept in part	Decision Report 29C: Natural Hazards and Climate Change – Coastal Hazards
