Commissioner: Andrew Baker

DECISION

[1] I have before me an application by Soundsplash Limited for a special licence in respect of premises situated at 330 Wainui Road RAGLAN known as “Wainui Reserve”.

[2] The inspector has filed a report on the application and does not oppose the granting of the special licence. The Police have offered no opposition to the granting of the special licence whilst there has been no response within the required timeframe from the Medical Officer of Health and as such it is considered they have no opposition.

[3] The application is for a music festival event to be held over three days from 19th January to 21st January 2024. The application states that alcohol will only be sold or supplied on 19th and 20th January 2024 and that this will only occur within three separate areas all with specified management and security processes. No alcohol is to be sold or supplied on Sunday 21st January 2024.

[4] Detailed Alcohol Management and Security Plans have been submitted with the application. These plans place significant responsibility on the applicant and those tasked with specific roles with clear monitoring from reporting agencies.

[5] For the purposes of this event, the three licensed areas making up the premises are as defined within the site plan submitted on 22nd November 2023, more specifically known as Valley Bar, Roots Bar and Summerhaze VIP Bar. The bar areas are to clearly delineated, fenced and patrolled by security staff as per the plans mentioned in paragraph 4.

[6] An overarching certificate holding manager has been nominated to have responsibility as festival alcohol manager for all three licensed areas and that due to the separate location of those areas, each will have rostered certificate holding managers reporting to the festival alcohol manager. Significant responsibility lies with the festival alcohol manager ensuring all managers meet the expectations of the Act and the plans submitted with the application.

[7] The following conditions will apply to the licence:

- a) Alcohol may be sold under the licence only on the following days and during the following hours:
**Friday, 19 January 2024 from 2.00pm to 11.30pm, and
Saturday, 20 January 2024 from 12.30pm to 11.30pm**
The sale of alcohol is to cease at 11.30 pm and the consumption of alcohol must stop at 12.00midnight.
- b) A reasonable range of food appropriate to the event as specified within the application and shall be available during the hours of this licence.
- c) The licensee shall have available for consumption on the premises, at all times when alcohol may be sold and supplied under the licence, a reasonable range of non-alcoholic refreshments and low alcoholic beverages.
- d) Drinking water is to be freely available to customers at all bars while the premises are open for business and signage directing people to drinking water must be prominently displayed on the premises.
- e) The following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:
 - i. Ensure that no intoxicated persons are allowed to enter or to remain on the premises.
 - ii. Ensure that appropriate signs are prominently displayed detailing the statutory restrictions on the supply of liquor to minors and intoxicated persons adjacent to every point of sale.
 - iii. Ensure that appropriate signs are prominently displayed detailing information about alternative forms of transport from the premises including provision of a courtesy vehicle to transport patrons from the premises.
- f) For the purposes of the licence Rawiri Pohoera Piripi has been nominated to manage the conduct of the sale of alcohol as a certified manager. Should that person be unable to fulfill that duty, a replacement with clear understanding of their responsibilities shall be appointed with details provided to the senior member of Police and or Alcohol Licensing Inspector who may be on site or by way of email and or phone call.
- g) A minimum of one certificate holding manager is required to be on site and on duty in each of the licensed areas – Roots Bar, Valley Bar and the Summerhaze VIP Bar - to manage the conduct of the sale and supply of alcohol during the hours of this licence.

 - i. Only two serves per person per transaction.

- k) The Alcohol Management and Security Plans as submitted and agreed to by reporting agencies and applicant are to be strictly adhered to at all times.
- l) Hourly briefings are to be held from 5.00pm, or more regularly to discuss general intoxication levels and reduce serves to 1 or 0 if appropriate.

m) Current Certificates of Approval (COA) for all security staff are to be held and displayed.

[8] I am satisfied as to the matters to which I must have regard in s.142 and s.143 of the Act, and I am satisfied that this application meets the purpose and object of the Act. Accordingly, I grant the special licence which may issue immediately.
